Once upon a time, a faraway land was destroyed by an unearthly being. As it was, the land itself was very unearthly so we won't dwell on that part of the tale . . .

Pen alone escaped that unearthly never-never land, and it was to the land of C. H. S. that he ventured. Quite strange was everything to Pen — from the red brick, outside walls of the building to the odd world he found within. It's here Pen's story begins when he finds . . .

# Seniors Will Remember '75-'76 Events

The '75-'76 school year began on Monday, August 25, and ended on Thursday, June 3. Graduation exercises were held on Friday, June 3. Events from the school year will long be remembered by members of the Class of '76.

The climax of the opening of the school year for Seniors was the arrival of class rings, upper left. Seniors sold magazine subscriptions, top row center, to minimize Washington Trip expenses, below right.

Athletic events, including Girls' Track (pictured above), drew many interested students. Seniors "sometimes" enjoyed classes, middle photo, above. Senior band members enjoyed a Florida trip with Mr. R. Dwight Barker, upper right, as one of the chaperones.

The Junior-Senior Prom, "Precious and Few", will always be remembered with the main decoration pictured above right. Senior Track captains, far right, made several presentations to the school on Awards Day. Graduation, shown on the opposite page, brought the '75-'76 school year to an end.

# the Challenge

From the atom to the sun... the universe pulsates with energy in many forms.

The challenge is to find ways... new ways... to utilize the earth's vast storehouse of fuels in providing the energy needed for this nation to continue to be great.

The means – innovative technologies, exotic engineering, dynamic architecture – exciting advances that must come if man is to tap Nature's lode for the energies he needs.

From the smallest part of the universe to the largest... that's the scope of the energy field today. The opportunity for personal achievement is infinite; the challenge, one that must be met.
